THOMAS RECOMMENDS

GOWAN'S GRAVENSTEIN HEIRLOOM CIDER

Fresh Gravenstein apples straight from the orchards craft this varietal cider, with notes of citrus, jasmine, spice, melon and bay leaf. Imagine biting into your first summer apple a tree-ripened Gravenstein from their sustainable family orchard. Crisp, smooth and refreshing. Lightly sparkling, with medium body and a medium clean fresh finish. Farm-to-table.

“ A SUPREMELY-BALANCED CIDER CRAFTED WITH APPLES RICH WITH FAMILY HISTORY. POURING A STRAW-COLORED YELLOW, THE NOSE BLOSSOMS WITH RIPE APPLE AROMAS. SLIGHTLY-SWEET ON THE PALATE ENDING WITH A CRISP FINISH. ”
